

NextGen Tech Fellowship

Learn. Level Up. Launch.

LETS GO!

Who are we?

We are a group of technologists seeking to create a vibrant tech community. We train, mentor & provide network and career support to aspiring techies.

Our Vision

Provide world class training & mentorship in Software Engineering and create a vibrant tech community.

Our Mission

To empower the next generation of technologists with the right tools to kickstart & grow their careers.

Learn By Doing

The best way to learn is to practice what you learn. You will work on a wide range of projects as you go through the course content.

- **Learn**
- **Do**
- **Repeat**

Get Expert Mentorship

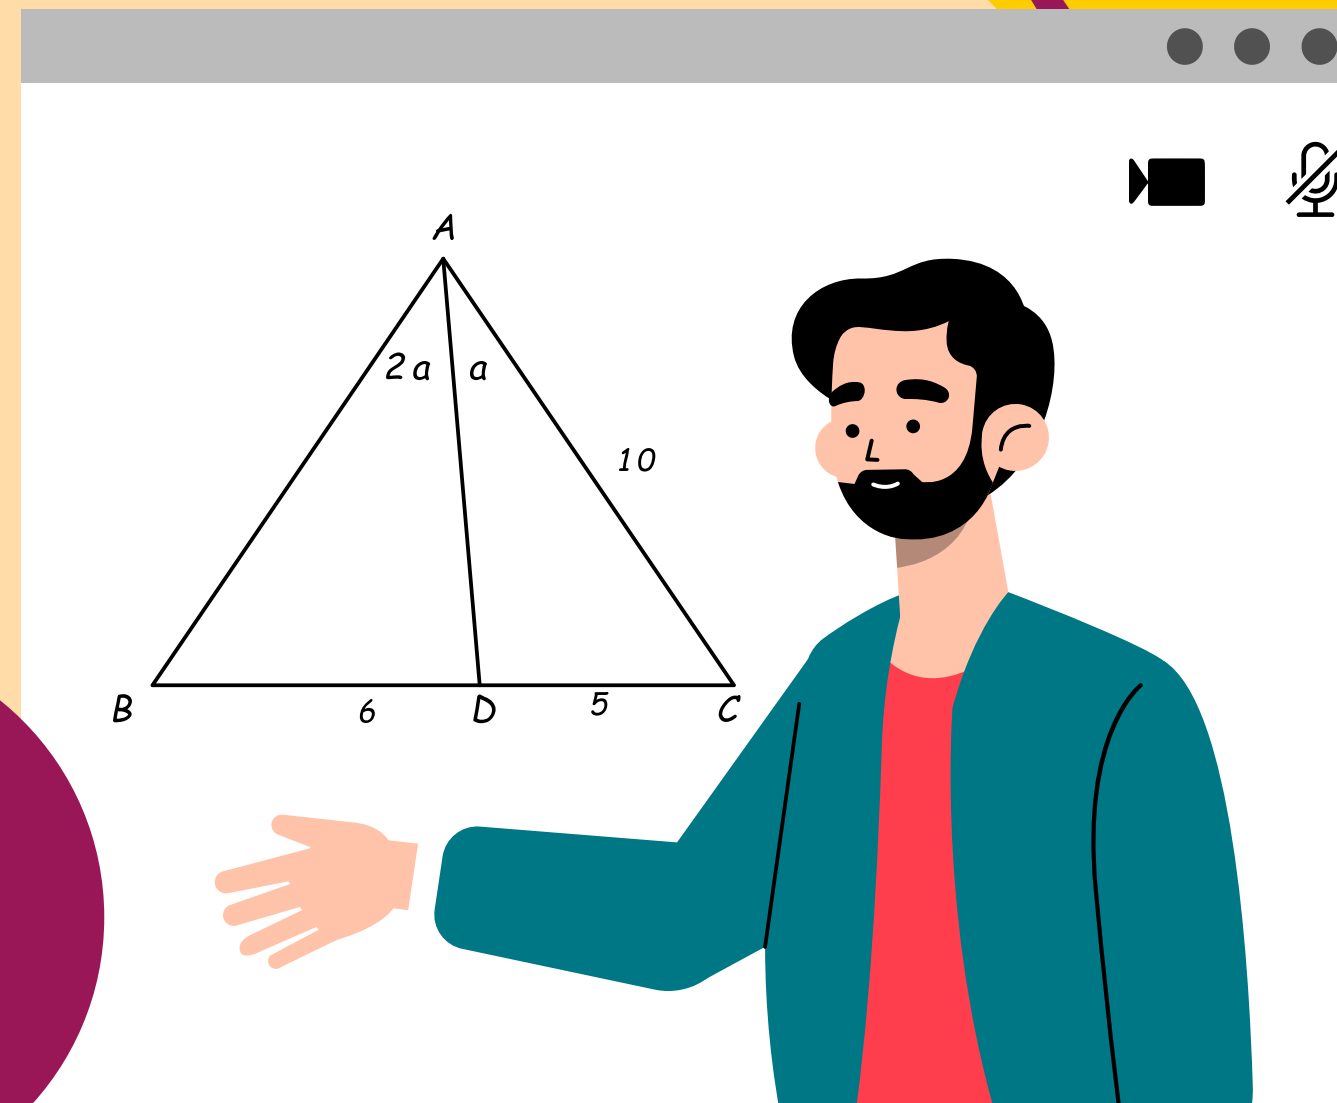

Get mentored by seasoned software developers who will guide you through your learning journey. Get access to our networks and give yourself a head-start in your job search.

Showcase Your Work

Demo your progress periodically and practice your presentation skills thus preparing you for the job market.

Presenting like a pro is a skill gained through practice. You will get plenty of that.

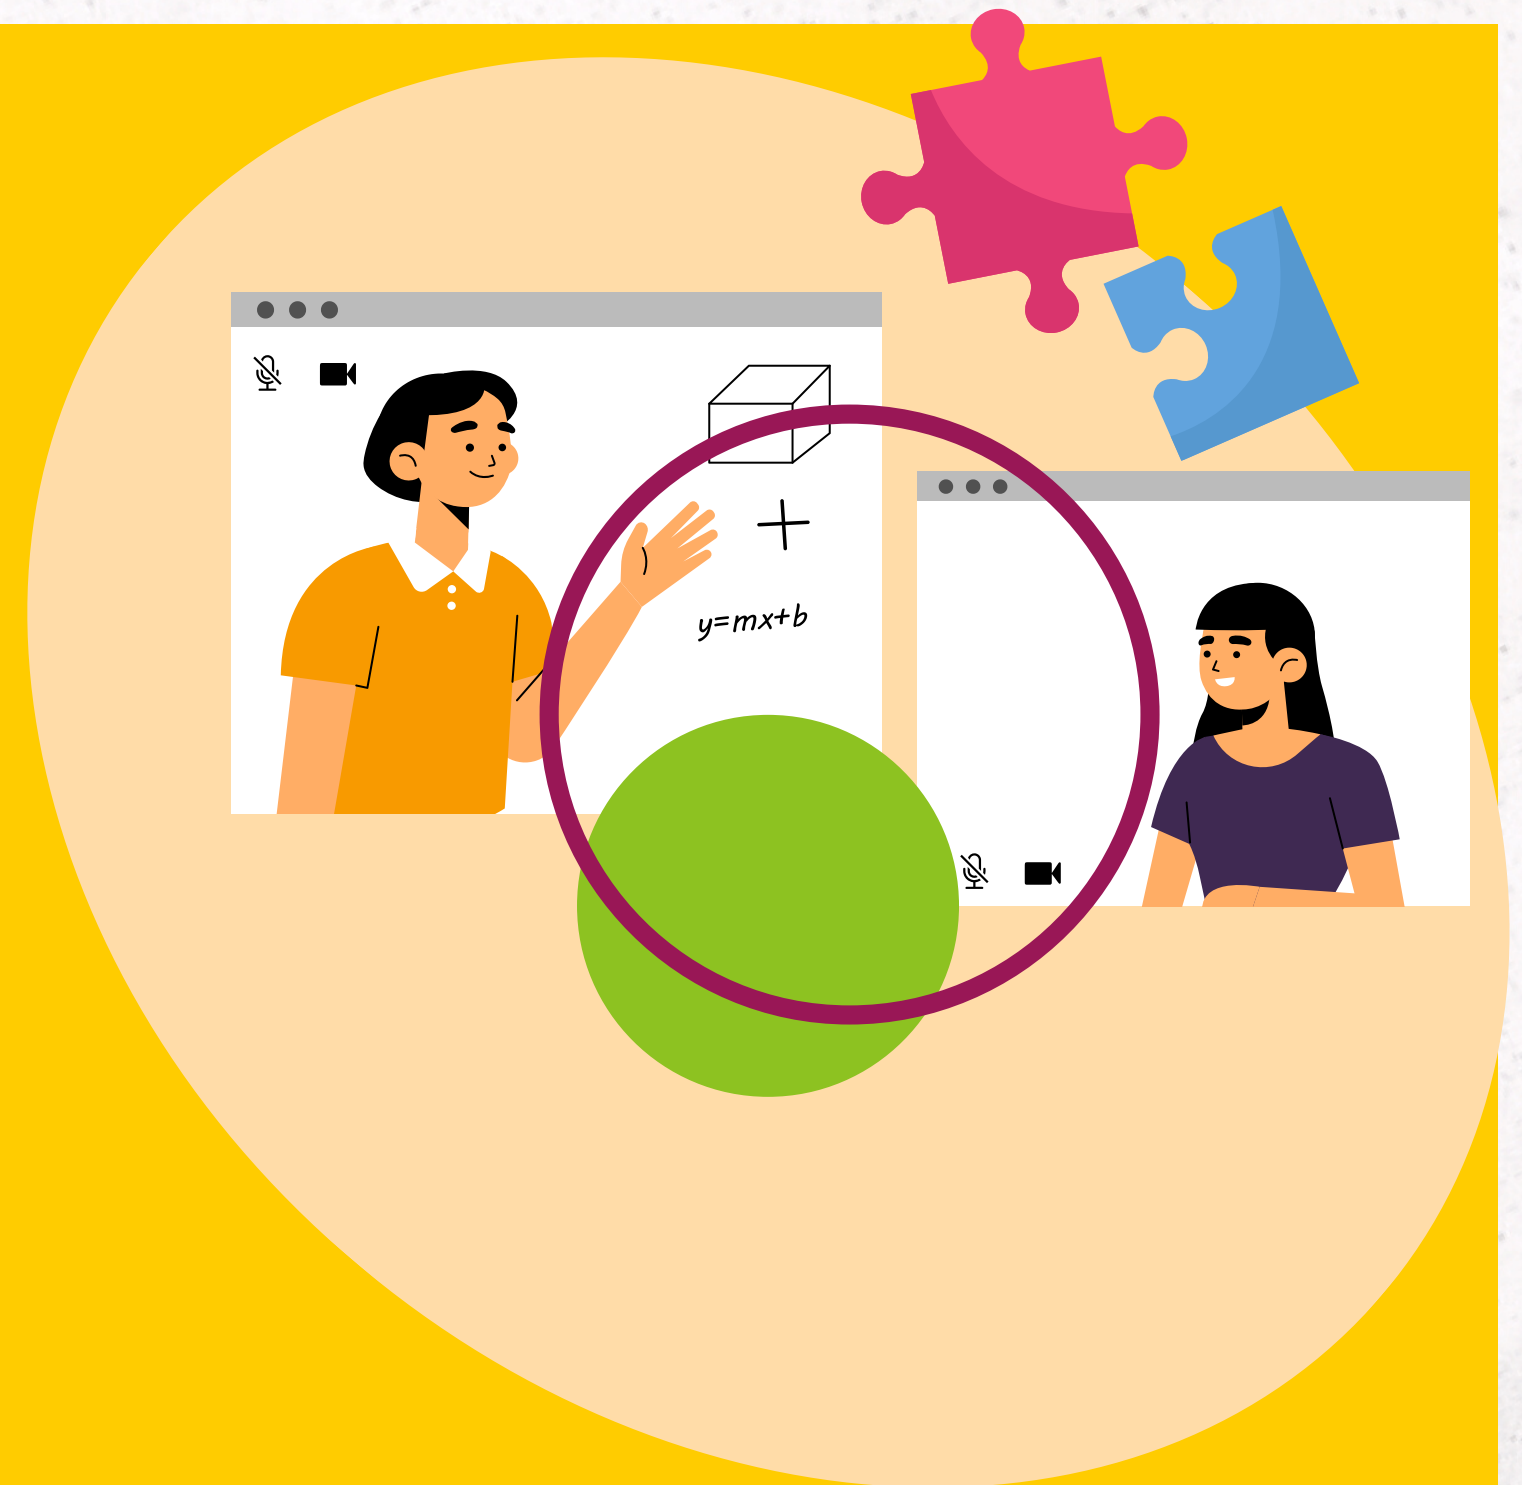

Get Job-ready

We provide a learning environment that closely mirrors real-world work settings. Get exposed to all the tools and best practices you will encounter in your future job.

Collaborate

You don't get to work alone in the real world. We will prepare you for a future of working in team settings. Learn & work closely with your peers, share knowledge and grow together.

The Program

HTML/CSS

The building blocks of any web page. HTML provides the structure and CSS makes it beautiful.

JAVASCRIPT

Makes web pages interactive and allows you to respond to events on a page.

PYTHON

Build backend systems that either run independently or work with your frontend applications.

SOFTWARE TESTING

Follow best practices and ensure your code is well tested to avoid it being brittle.

ALGORITHMS

Learn how to solve complex problems and prepare yourself for future job interviews

SOFT SKILLS

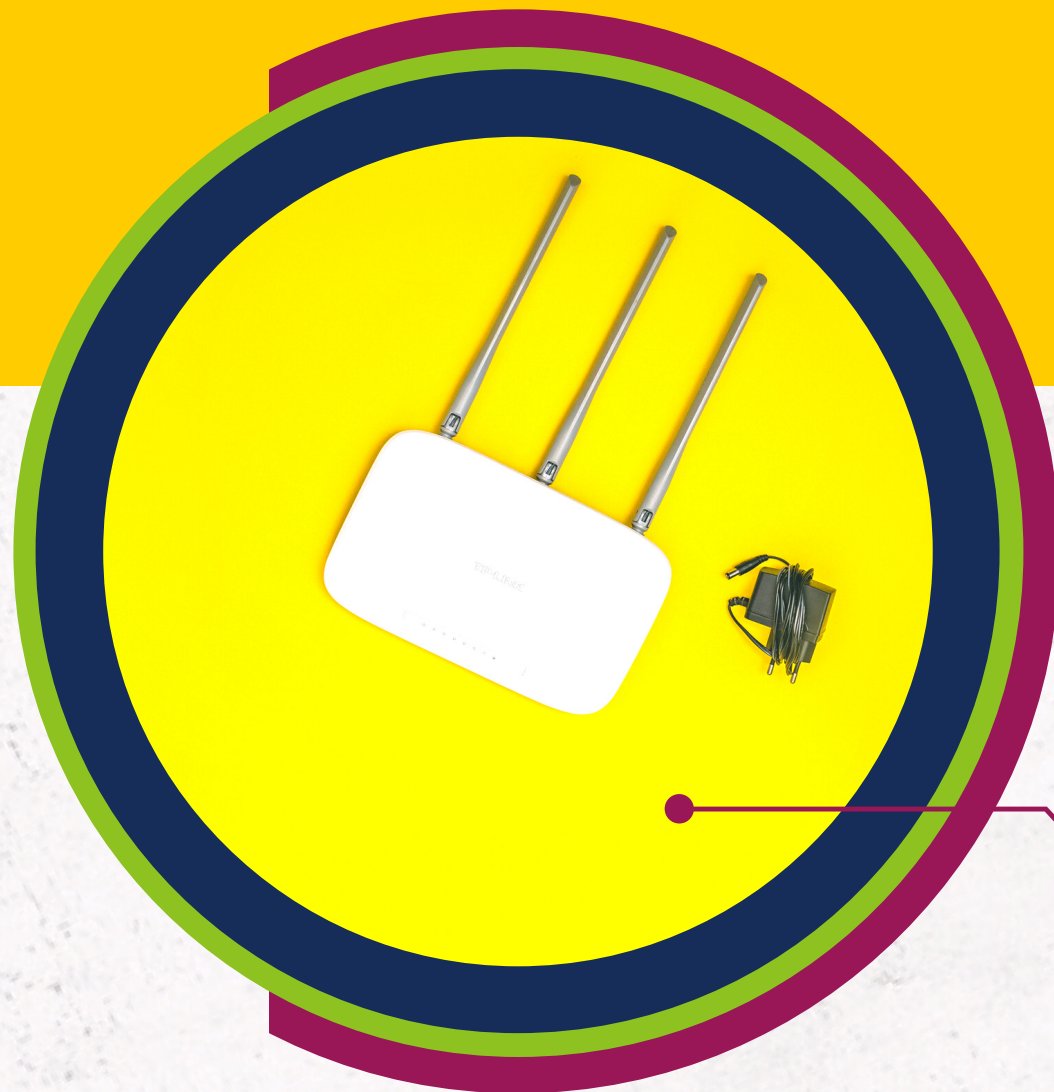

Learn how to effectively work & collaborate with other people. Be a team player.

Our Facilities

Working space

Meeting room
